

# Show & Tell

Listen to the children sharing what they made and answer the following questions:

1. What recycled materials or waste did other children use?
2. What invention surprised you?
3. Describe the most creative invention you've seen.
4. Draw your favourite invention from the Show & Tell.

A large, empty rounded rectangular box with a thin purple border, intended for drawing a favorite invention.

5. How does it help save the planet?
6. What would you do to improve it?
