

# institute of imagination

It's your time to...

**SAVE MAKE REINVENT**

Start your iOi  
journey here!

## More information!

## About Save Make Reinvent

A fun and engaging way to introduce sustainability into the classroom. Through the circular economy we look at how we can take used materials that we have in the home and school, and empower children to apply their imagination to Save Make and Reinvent someone's waste into another person's treasure.

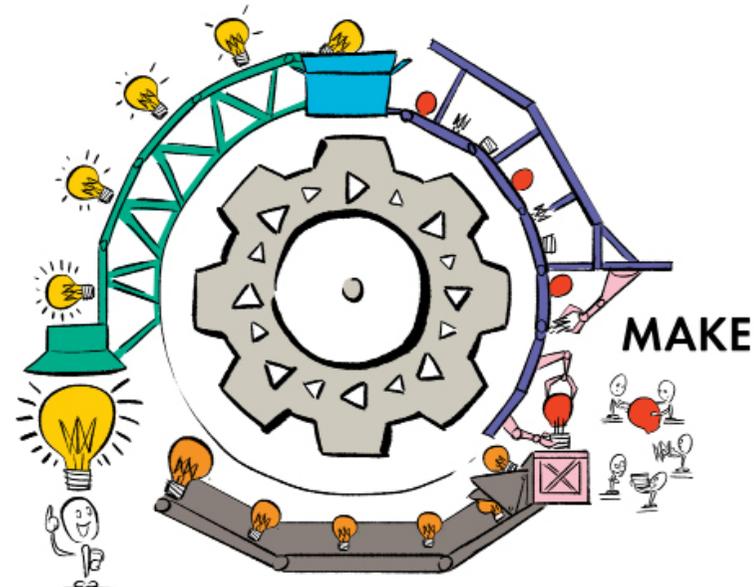

Throughout the programme we'll be sharing ways to weave these activities into your curriculum. Could you use Stop Frame Animation to tell the story of the Tudors? Or use Junk to build different kinds of animals, turning your classroom into a zoo? Or use natural inks to paint front covers for stories you are writing in English? If you want more help embedding the workshops into your classroom, then get in touch!

 **020 7494 9153**

 **[schools@ioi.london](mailto:schools@ioi.london)**

Our helplines are open Monday- Friday, 9am - 5pm.

psst, we'll send you a better version of this image to use!

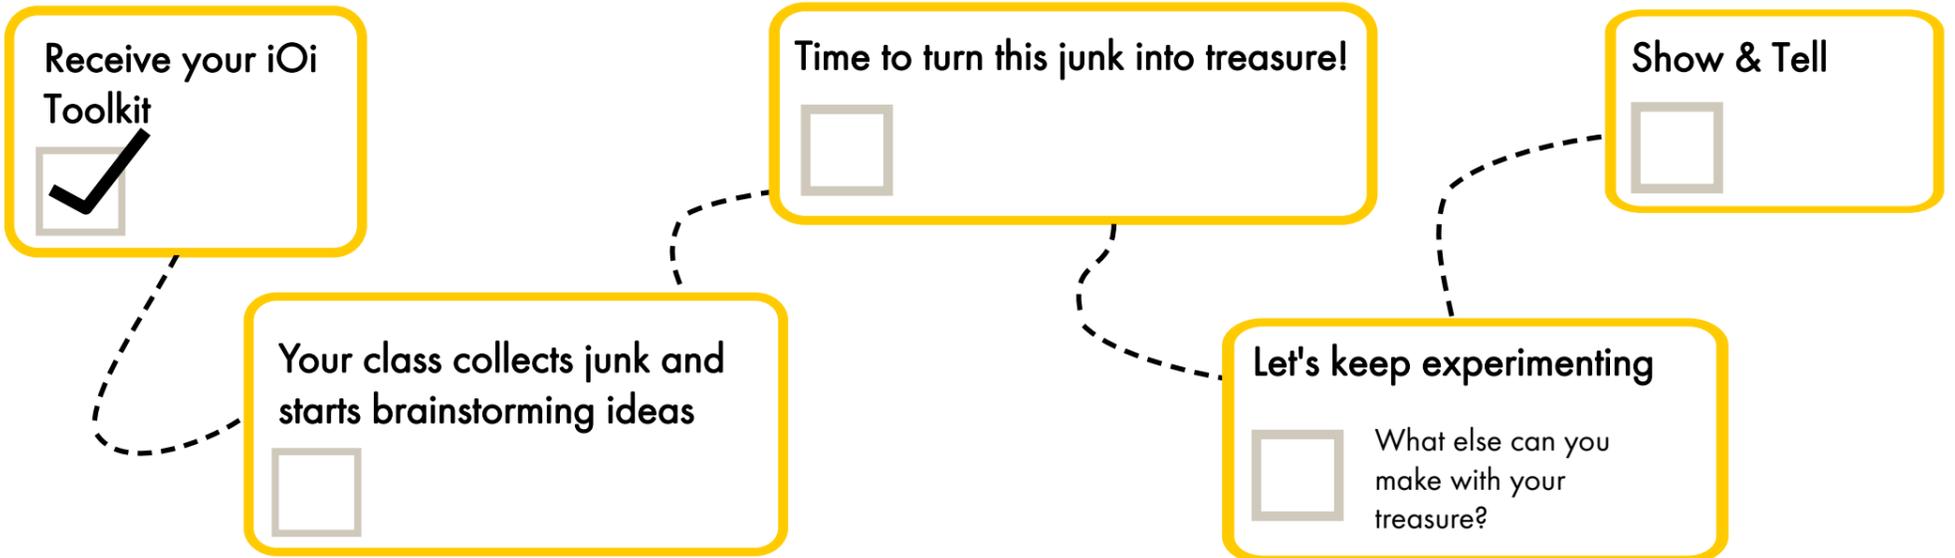

# Welcome to your Save Make Reinvent Programme

Class Name: \_\_\_\_\_

## What's next?

## What do you need?

Our Recommended Tools
