

MY BIG IDEA Submission Form

My first name:

My age:

MY BIG IDEA is called:

1. Explain your BIG IDEA:
What is it? How does it work? How does it help your local community? What technology does it use?
.....
.....

2. Draw out your BIG IDEA (draw big and don't forget to add labels!)

3. Make a prototype (model) of your idea and bring it with you to present at our MY BIG IDEA: A Children's Showcase event. You could use anything you like to make your model - a coding app like CoSpaces or Scratch, MS Paint, or even build something out of cardboard and recycled materials! Or if you prefer you could make a presentation of what your BIG IDEA is. We can't wait to see what you come up with. Take a look at the guide to help you.
